Dear Tammy,

On behalf of the Love Thy Neighbor Board and all of our volunteers and supporters, I would like to thank you and your amazing staff for your hard work during the Pop Tart promotion in October. According to my count you provided 85 cases of Pop Tarts for our backpack program for elementary children in the Harper Creek School District. When we look at totals more closely this means that 6,132 food bags will contain a package of Pop Tarts because of your efforts. That is simply amazing!!

We value this partnership with you toward feeding at risk children. Because of this promotion and your Spring promotion, the lives of many children are affected in a positive way – less hunger, better school attendance and improvement in grades.

Once again THANK YOU for all you do!

Sincerely,

Fred Lutzke, Dir.
